

Chapz for Weddings

Your wedding day should be a special day and here at Chapz, we understand this, so we have a range of products and male grooming services available for you. Here at Chapz barbers, we can offer the groom and up to 6 guests the exclusive use of our dedicated shaving lounge for the traditional wet shave. We also offer a variety of hair styling packages. Our aim will be to begin your special day with the best possible start with an invigorating and relaxing experience. As part of the service, there will be a complimentary drink for you and your guests and will be an memorable part of your day. Our openings times for your wedding experience are arranged to fit in with your agenda. Please book us early to avoid disappointment!
