

Chapz for Products

Shaving Products There is a huge selection of products on the market for men to choose from when it comes to shaving. Most, offering the best shave ever. We want the best for our clients, so we have tried and tested quite a few of the products available. The one that stood out from the rest in terms of performance and value for money was Men-u . Many of our clients comment on how good their face feels after the shave, which is good, and good for us because it confirms, we chose the right product for our clients to enjoy and appreciate during their Wet Shave. Please see details of Men-u products used in the shave process, the products are now stocked by us for our clients to purchase and enjoy at home if they wish. **Styling Products**
